

DIGITAL ENTERTAINMENT RECRUITMENT

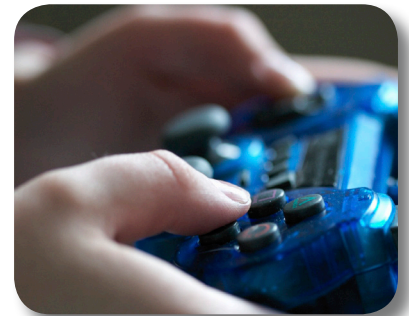

With over 30 years experience in the European skills markets and the backing of a global parent company, who have been successfully delivering recruitment solutions since 1950, you can trust **Volt Digital Entertainment** to understand your business needs and source the best people for your organisation.

Volt Digital Entertainment is at the cutting edge of the games and media industries, supporting the growing communities who are creating and accessing content across every type of digital media. Our services range from staffing models for permanent, temporary and professional contractors, to fully customisable projects offering a unique solution to your more complex requirements.

Our recruitment experience in digital entertainment covers all areas of content, including games, online gaming, digital media, distribution and testing.

The types of roles we recruit for stretch from Technical and Creative to Management and Marketing, including:

- Programmers (all disciplines)
- Software Test Engineers
- Games Testers (QA & Cert)
- Web Developers & DBAs
- UI / GUI Artists
- Games / Level Designers
- Animators (all disciplines)
- Studio Heads
- Art & Creative Directors
- Producers (all levels)
- Project Managers
- Development Directors
- PR Managers
- Marketing Managers
- Community Managers
- Account Managers
- Product Managers

About Volt
