

PHARMACEUTICAL & LIFE SCIENCES RECRUITMENT

With over 30 years experience in the European skills markets and the backing of a global parent company, who have been successfully delivering recruitment solutions since 1950, you can trust **Volt Life Sciences** to understand your business needs and source the best people for your organisation.

Volt Life Sciences is the specialist pharmaceutical and life sciences division of Volt, the award-winning recruitment and staffing company. As the European operating arm of Volt Information Sciences, Inc. - one of the world's largest and longest established recruitment companies - we deliver solutions customised to meet your local and global staffing requirements. Employing a variety of techniques from headhunting to networking and advertising, we source the very best candidates for your business.

With offices across Europe, we successfully deliver permanent and contract recruitment to companies involved in, or servicing, the pharmaceutical and life sciences industries, including:

- Clinical Research & Drug Safety
- Regulatory Affairs
- Quality Assurance & Validation
- Drug Discovery & Pre-clinical Development
- Inhalation Drug Delivery
- Health Economics & Outcomes Research
- Pharmacovigilance & Medical Information
- Medical Affairs
- Medical Sales & Marketing
- Production & Manufacturing

About Volt
